Ramblings from Hillbilly Les

Hi Car Folks,

Les here. Not much time left before the show, but here we go. It's been an awfully busy summer. The North Country Hillbillys Car & Truck Show is Saturday, September 8, starting at 9:00 a.m. this year at the Braham Covenant Church. So, some changes at the show this year, there will not be a swap area (just some complications). Ah, for congestion purposes and managing, the Slow Race is cancelled as well. Sorry for that. But, with changes, hopefully all is good. Throughout all the years of car shows, this is number 13! The Covenant Church's Youth Group will again be serving lunch for everyone, yep, everyone. Check it out, it's a nice surprise for what they have in store.

Again, thanks from the Hillbillys for your support each year, and thanks for supporting our local food shelf too!

Well, enough for now, we will see you at the show. Remember, we always appreciate hearing your comments about our show, if something isn't right, talk to us.

Bring a kid to a car show! Thanks for listening.

Bring a Kid to a Car Show!

The North Country Hillbillys' car show will include a kids' tent again this year! Kids of all ages are welcome to come visit the tent. NCH staff will be under the tent handing out *free* Hot Wheels cars and temporary car tattoos from 9-11:30 a.m.! The Hot Wheels tracks will be there all day for kids to enjoy.

Let's instill the love of cars in our little kiddos!

From the Registration Tent

Howdy from the Registration Tent! Hope you're enjoying the last bit of summer and staying cool. Fall will be here before we know it! We are busy organizing and prepping but also enjoying each others' company as much as we can. After all, that is what this is all about. The community we have built within our club is something special. It's also expanded well beyond and we're reminded of that every year at the NCH Car and Truck Show. It means the world that so many of you come out to support us, enjoying the cars, trucks, and each other.

Once you park, come see us under the big white tent to register. You'll be greeted with a smile and some hillbilly goodies. We look forward to meeting you! Whether this will be your first year joining us or if you're one of our loyal participants who shows up year after year, one of our favorite parts of the show is visiting with you while you register. We love finding out what you drove, where you drove it from, what brought you to the car show and more.

Thanks again for your support and don't forget to come see us under the white tent. You can't miss us! The first 10 people to register and mention this newsletter will receive a bonus gift.

Change

It amazes me to think the Hillbillies have been hosting our annual car show for 13 years, this year's show is Saturday, Sept. 8 starting at 9 a.m. at the Braham Covenant Church. Although there have been a few changes over the years, most things have stayed the same. People come and go, show events change, show times have changed but a few

things haven't changed. Our show isn't about us, it's about you, those of you who bring your cars to our show and those who might not have a "hot rod" but appreciate all makes, models and styles of cars. We do what we do each year because we have fun doing it and we hope you enjoy it too! Recently, when I was feeling a little discouraged, I asked some car club friends why we do what we do. I immediately heard the replies, "We help out the food shelf with donations," "We help the church youth group," "We hold a family friendly show." That's what I needed to hear—although there will always be change, some things will never change.

See *you* at the show!
